

LOMA LINDA UNIVERSITY STUDENT HEALTH PLAN **07-01-2020**

The LLU Student Health Plan provides comprehensive medical coverage and limited dental coverage for eligible students. Contrary to most other plans, our plan has no deductibles and provides 100% coverage for office visits at the Student Health Service as well as 100% coverage for inpatient hospital and physician services and outpatient diagnostic services. The plan also funds 100% coverage for counseling services provided through the Student Assistance Program. Most other outpatient specialty services are subject to a \$40 co-payment per visit. On-campus prescription drug coverage is subject to co-payments of \$15 and \$30 for generic and brand drugs respectively. Expenses incurred before your plan coverage becomes effective or after your plan coverage has terminated will not be covered. This plan will only provide medical coverage on an excess basis. This means that all medical expenses must first be submitted to any other available source of health care coverage. There is no optical coverage available.

PREFERRED PROVIDER PLAN

The health plan has been developed as a PPO (Preferred Provider) plan. You may utilize services outside of the preferred provider structure; however it will be at reduced benefits. The Medical PPO Directory can be viewed by visiting <https://myllu.llu.edu/livingwhole/preferredproviders>.

The Dental PPO Directory on this site does not apply to the LLU Student Health Plan.

PLAN YEAR The Plan benefit year is a fiscal year and runs from **July 1** through **June 30**.

ELIGIBILITY You are eligible for benefits if you:

- Are attending Loma Linda University as a graduate or undergraduate; and
- Are a degree track student. Students who are accepted into a degree program and registered for more than 0 units will be charged the enrollment fee regardless of the number of units they're registered for.
- Are a non-degree student registered for more than 4 units (SAHP 5 units). A student who is not accepted into a degree program but who is registered as a non-degree student for more than 4 units (SAHP 5 units) will be eligible. However, a non-degree student registered for 4 units (SAHP 5 units) or fewer will not be eligible and will not be eligible to buy-in to the Student Health Plan.

However, non-degree students registered for 4 units or less will not be charged the fee and will not be eligible to buy in to the Student Health Plan.

- Were previously covered under the Plan and are on an approved leave of absence from your academic program.
- IS and IP Only student. Those students who are working on “In Progress” courses, and who are not registered for any other units, will be charged the enrollment fee.

Additional information regarding eligibility:

- Students who drop before the deadline will not be charged nor covered. Any student who is charged the fee and drops all units before the last day for a full refund (generally 1 week after the first day of classes), will receive a full refund of the enrollment fee and they will have no access to any University benefits. Please refer to the Student Finance 100% refund policy.
- LLUH employees who are “full time benefit eligible” will not be charged the fee. The fee will not apply regardless of whether employees are using the education benefit or not. Spouses of employees who are using the employee education benefit will be charged the enrollment fee.
- An eligible student’s coverage will become effective on the first day of class or student orientation, whichever occurs first

BUY-IN PROVISION

Under the following provisions a student may obtain coverage under this health plan or extend coverage to a spouse or dependent children each quarter. In order to receive any coverage under this Plan, a student must apply for coverage during an open enrollment period, within 30 days of a status change i.e.(within 30 days of marriage or within 30 days of the birth of a newborn child) and pay the appropriate **quarterly** student contribution as outlined below:

1. Spouse/Dependent Children – If you are a student covered under this plan, you may extend health plan coverage to your spouse or dependent children.
2. Leave of Absence (LOA) – If you are a student who has been covered under the Plan up until the time that you leave school on an approved leave of absence (LOA), you may extend your coverage under the Plan for the length of the approved LOA, up to a maximum extension of one year.
3. Continuation Coverage – If you have been covered under this Plan and no longer meet the eligibility requirements, **(for example, if you were not attending classes during any quarter, including Summer-you would need to buy-in)** you and your eligible dependents may continue your coverage for up to one (1) quarter through this buy-in provision.

The open enrollment period for eligible students and dependents is the *last two weeks of each calendar quarter*. Buy-in coverage will be effective from January 1 to March 31, April 1 to June 30, July 1 to September 30 and October 1 to December 31. There are *no invoices or reminders* sent to students who are buying in to the Plan. The Department of Risk Management cannot add Student Health Plan fees to your student account. All payments must be made by check, money order, or credit card with the Visa or MasterCard logo by calling (909) 651-4010. A newborn child must also be enrolled in the plan within 30 days of birth or adoption in order to receive any coverage under this plan. There is no automatic or temporary coverage provided for any dependents, including adopted or newborn children.

STUDENT HEALTH PLAN RATES

Extension/Continuation Coverage

Student	\$ 535.00 per quart
Spouse	\$ 700.00 per quarter
One or more children of a covered student	\$ 420.00 per quarter
Spouse and Children	\$1,120.00 per quarter

PRESCRIPTION DRUG COVERAGE

The standard co-payment amounts are \$15.00 for generic drugs and \$30.00 for brand name drugs that are dispensed by the LLUMC Outpatient Pharmacy, the Faculty Pharmacy (located in the FMO building), the LLU Community Pharmacy (located in the Professional Plaza), the Meridian Pharmacy, the Highland Springs Pharmacy (located at Highland Springs Medical Plaza), the LLU Home Delivery Pharmacy and the LLUMC-Murrieta pharmacy.

For standard prescriptions filled at any other participating CVS Caremark pharmacy, there will normally be a \$25.00 co-payment for generic products or a \$40.00 co-payment for brand name drugs.

If a student voluntarily chooses to obtain a brand name drug when a generic equivalent drug is available, the student will be required to pay the difference in cost between the brand drug and the generic alternative in addition to the generic drug co-payment amount.

MAIL ORDER PRESCRIPTIONS

For drugs that are taken on an ongoing basis, Plan members also have the option of obtaining prescription drugs through the CVS mail order program. With this program, employees can save time and money with the convenience of mail delivery at no additional cost. After a one-time set up process, CVS will arrange for automatic prescription refills. Through this program, members may obtain up to a 30-day supply of drugs with a single co-payment and up to a 90-day supply of drugs with the payment of two (2) co-payments. This means that a student obtaining a 90-day supply of medication can save four co-payments per year by using the mail

order option. This mail order option is only offered through the CVS Mail Order Pharmacy. Note that the normal co-payment is waived for generic medications that are filled through the mail-order program and are used for the treatment of asthma, cholesterol, diabetes, heart failure and hypertension.

Additional prescription drug information and resources are also available at the CVS Caremark website www.caremark.com and with the free CVS Caremark mobile app. These resources allow you to obtain refills on-line, scan your prescription bar code, set up mail order delivery, view your prescription history, track your prescription spend and check drug coverage and costs.

To sign up for mail delivery service, go to caremark.com/mailemail. This site will allow you to register or sign-in to your account. Please have your health plan/prescription drug card available. Alternatively, you can call CVS Caremark Customer Care at 1-800-966-5772 to fill a prescription or obtain more information.

If you submit your prescription through the mail, the prescription will be delivered to your home address and your co-payment (if any) will be billed to your credit card. CVS Caremark cannot accept cash or checks for co-payments.

CVS MINUTE CLINIC SERVICES

The Plan also expanded preferred provider coverage to include the medical services provided at CVS Minute Clinic locations. A student may access medical services at any Minute Clinic location with the payment of a \$10 co-payment.
