Download the Outlook app from the App Store

Open the app, select Add an Account and select Exchange

Enter your email address

Click Add Account.
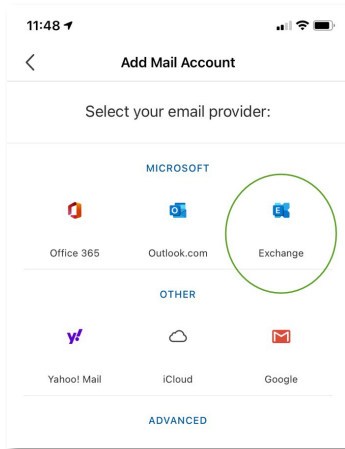

You may need to add additional information as follows:

1. Your email address
2. Your email password
3. A friendly name or description of your choice
4. Our server name: email.llu.edu
5. Our Domain: llu
6. Your username. In some cases, this may be your EID#
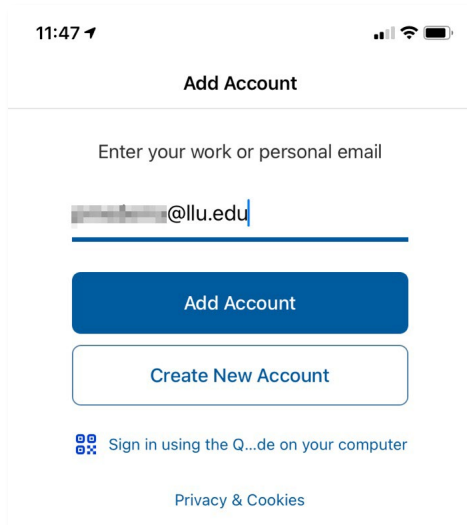

Click Sign in and you should be all set. If you have any issues with this please contact the LLU Help Desk using the information below.
