- 1) I have read the information guide provided by LLU ISSS Office – *Change Status to F-1 Student*.
- 2) I understand each processing type clearly and have asked questions as necessary.
- 3) I understand that if my current visa status, that does not allow me to study (i.e. B-1/B-2; F-2), is not approved to the F-1 visa by my program start date, I will not be allowed to matriculate and start my program. *** (H-4 & J-2 visa holders are exempt from this exception).*
