## Creating An Account to Complete the Application:

5. Enter your name, date of birth, create a password that meets the specified requirements, indicate your marketing consent, provide your initials to agree to the privacy policy, and then click 'Create.

The screenshot shows the account creation form for Loma Linda University. At the top is the university's logo and name. Below are input fields for 'First Name' and 'Last name'. A 'Date Of Birth' section includes dropdown menus for 'Day', 'Month', and 'Year'. The 'Create a Password' section has two input fields: 'New Password' and 'Confirm New Password'. Below these are four lines of password requirements: 'Your password must be at least 12 characters and contain 3 of the 4 attributes:', 'At least one letter', 'At least one capital letter', 'At least one number', and 'At least one \_ @ # \$ % ^ & \* ! -'. A consent question asks 'Do you consent to receiving marketing emails from LLU Continuous Learning?' with radio buttons for 'Yes' (selected) and 'No'. A statement follows: 'I understand that LLU - Continuous Learning abides by FERPA regulations and will not release my student information unless I expressly give LLU - Continuous Learning permission to do so.' Below this is an input field for 'Enter your initials here' and a dark blue 'Create' button at the bottom.

6. Multi-Factor Authentication (MFA): Choose ONE of the following options for verification:

The screenshot shows the MFA selection screen for Loma Linda University. At the top is the university's logo and name. The text reads: 'Multi-Factor Authentication (MFA) requires users to provide two or more verification factors to gain access to an online account.' Below this are two radio button options: 'Authentication using Text Message' (selected) and 'Microsoft Authenticator'. A dark blue 'Continue' button is at the bottom.

## Creating An Account to Complete the Application:

### 6.1 Authentication Using Text Message:

- Enter your country code and phone number. Please ensure this is a phone number you have regular access to. You will need it on every new device and every 60 days at least.
- Click "Send Code."
- Enter the verification code received via text message.
- Select "Yes" if you'd like to remember this device for future sign-ins or choose "No" if you prefer not to. Then, click "Sign In" to proceed.
