HOME COMING

Dear Alumni, Staff and Friends,

Three years ago we launched our One Loma Linda approach to Homecoming. Each year has grown beyond our expectations, as alumni and their families return to campus for this joyful celebration of their educational experiences and family legacies.

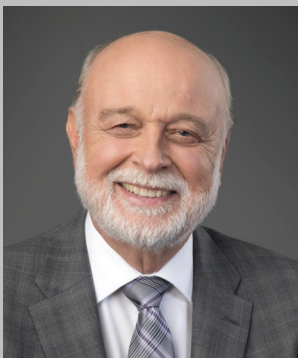

Meeting and talking to alumni is always a highlight of any day. Each conversation with an individual inspires me in different ways. Many alumni share stories about their years on campus, and the lifelong friendships they formed here. Others tell me about experiences with a treasured faculty member or mentor, and how those influences have remained a part of their lives over the years. I find particular joy when they talk about how coming to this campus reminds them that their years at Loma Linda University Health were among the very best of their lives.

I hope you will accept my invitation to come home to Loma Linda University Health for our 2020 homecoming. Our weekend's theme is "Find Us Faithful," an idea that inspires me to gratefully reflect on the contributions of so many people in our history, as well as challenging me to do all I can to pass on the heritage of this important place to generations yet to come.

Many here on campus are hard at work planning a wide range of events and celebrations. We all look forward to learning together, worshipping together and sharing the stories of successes we have enjoyed.

Take some time to look at the homecoming schedule of events and register for those activities that excite you. All of us at Loma Linda University Health look forward to welcoming you home.

We will see you Thursday, March 5, to Monday, March 9.

Cordially,

A handwritten signature in black ink that reads "Richard H. Hart". The signature is written in a cursive, flowing style.

Richard H. Hart, MD, DrPH
President
Loma Linda University Health

TABLE OF CONTENTS

Schedule at a Glance	2-3

scheduling and registration.

HOMECOMING HIGHLIGHTS

Continuing Education

You will find numerous opportunities to obtain continuing education credits. Thursday, March 5, is a full day of interdisciplinary topics. For sessions specific to your degree or school, please check the school section.

Mission Emphasis Breakfast

The essential mission of the SDA Church is whole person care for each of God's children: physical, social, psychological and spiritual. The 2020 Homecoming Mission Emphasis Breakfast will feature Gary Krause, director of the General Conference Office of Adventist Mission. We will revisit with him this grand goal and celebrate what God has done through the medical ministry. Please join us for a thought-provoking and thoroughly enjoyable hour including a hot breakfast and association with mission-focused friends. It would be incomplete without you!

Walking Tours

Construction Walking Tours

2-5 p.m.

(Scheduled to leave on the hour)

This one-hour tour is designed to give you a quick overview of the new hospital towers. Access to the building will depend on the construction schedule.

Starting Point: "Come Unto Me" Sculpture

Register online

Campus Walking Tours

2 p.m. and 5 p.m.

This 90-minute tour will showcase campus highlights, including a visit to the "This is the Very Place" sculpture.

Starting Point: Centennial Complex Registration area

Register online

Weekend Programming

Steeped in Loma Linda University Health's rich history is the mission to continue the teaching and healing ministry of Jesus Christ. Our spiritual programming for the weekend will focus on this mission. Plan now to attend these special opportunities — these reminders of why we do what we do every day.

Friday evening, join us for *Find Us Faithful: Alumni Feature Stories* in the Loma Linda University Church. We will begin the evening with a concert featuring, NOTA, an a capella Puerto Rican sextet lead by Johnny Figueroa, a neuroscientist at the Center for Health Disparities and Molecular Medicine at Loma Linda University, Sabbath services will take place in the Drayson Center. Beginning with the Parade of Flags ceremony, you will be reminded of the courage of our alumni and moved by the commitment of current students to go into the world and live our mission. You will also enjoy great music from the Loma Linda University Church orchestra and a sermon by Randy Roberts.

Following afternoon reunions, please join us once more at the Loma Linda University Church for the annual mission vespers. Following vespers, alumni and friends who do not have a class or school meeting are invited to an evening reception once again featuring NOTA. Light supper fare will be served.

Homecoming Haystacks

Imagine tables laden with corn chips, mounds of lettuce, buckets of beans, stacks of cheese, piles of olives, bowls of salsa, sour cream, ranch dressing, guacamole and more! Oh, my!

Best of all? You can layer your ingredients in the proper order (everyone has their own idea of what that might be!). Join us for the food – stay for the fellowship and fun! You are able to reserve tables in your school area for class reunions. Please contact 909-558-3300 or email homecoming@llu.edu to reserve.

Sunday Morning

Love pickleball? Sign up for the Homecoming pickleball tournament! Many schools are putting teams together or you can put your own team together! Do you just want breakfast? We are cooking up pancakes for everyone under the big top!
