

LOMA LINDA UNIVERSITY STUDENT HEALTH PLAN

07-01-15

This plan is a University sponsored student health plan designed to provide comprehensive medical coverage for you and your eligible dependents. It is not an insurance program. This Plan includes coverage for hospital care, surgery, emergency care, prescription drugs, limited dental and more. Generally, to be eligible for reimbursement under the provisions of the Plan, expenses must be incurred while coverage is in effect. Expenses incurred before your plan coverage becomes effective or after your plan coverage has terminated will not be covered. **This plan will only provide medical coverage on an excess basis.** This means that all medical expenses must first be submitted to any other available source of health care coverage. **There is no optical coverage available.**

ENROLLMENT: Please return the enrollment form to Risk Management as soon as possible in order to gain access to the services provided.

PREFERRED PROVIDER PLAN: The health plan has been developed as a PPO (Preferred Provider) plan. You may utilize services outside of the preferred provider structure; however it will be at reduced benefits.

PLAN YEAR: The Plan benefit year is a fiscal year and runs from **July 1** through **June 30**.

ELIGIBILITY: You are eligible for benefits if you:

- Are attending Loma Linda University as a graduate or undergraduate; and
- Are a degree track student. Students who are accepted into a degree program and registered for more than 0 units will be charged the enrollment fee regardless of the number of units they're registered for.
- Are a non-degree student registered for more than 4 units. Students who are not accepted into a degree program but are registered as a non-degree student for more than 4 units will be charged the enrollment fee.

However, non-degree students registered for 4 units or less will not be charged the fee and will not be eligible to buy in to the Student Health Plan.

- Were previously covered under the Plan and are on an approved leave of absence from your academic program.
- IS and IP Only student. Those students who are working on "In Progress" courses, and who are not registered for any other units, will be charged the enrollment fee.

Additional information regarding eligibility:

- Students who drop before the deadline will not be charged nor covered. Any student who is charged the fee and drops all units before the last day for a full refund (generally 1 week after the first day of classes), will receive a full refund of the enrollment fee and they will have no access to any University benefits. Please refer to the Student Finance 100% refund policy.

- LLUAHSC employees who are “full time benefit eligible” will not be charged the fee. The fee will not apply regardless of whether employees are using the education benefit or not. Spouses of employees who are using the employee education benefit will be charged the enrollment fee.
- Those students participating in an off campus or online program will not be charged the enrollment fee unless the program specifically requires.
- An eligible student’s coverage will become effective on the first day of class or student orientation, whichever occurs first

BUY-IN PROVISION: Under the following provisions a student may obtain coverage under this health plan or extend coverage to a spouse or dependent children each quarter. 2. Leave of Absence (LOA) – If you are a student who has been covered under the Plan up until the time that you leave school on an approved leave of absence (LOA), you may extend your coverage under the Plan for the length of the approved LOA, up to a maximum extension of one year.
3. Continuation Coverage – If you have been covered under this Plan and no longer meet the eligibility requirements, **(for example, if you were not attending classes during any quarter, including Summer-you would need to buy-in)** you and your eligible dependents may continue your coverage for up to one (1) quarter through this buy-in provision.

The open enrollment period for eligible students and dependents is the *last two weeks of each calendar quarter*. Buy-in coverage will be effective from January 1 to March 31, April 1 to June 30, July 1 to September 30 and October 1 to December 31. There are *no invoices or reminders* sent to students who are buying in to the Plan. The Department of Risk Management cannot add Student Health Plan fees to your student account. plus one of the amounts below for dependents	
One dependent (spouse or child) of a covered student	\$ 530.00 per quarter
Two or more dependents	\$1,060.00 per quarter

PRESCRIPTION DRUG COVERAGE: Each enrolled student will be given a CVS/Caremark Health Care Identification Card, which can be used at any participating pharmacy displaying the CVS/Caremark decal. The cost of the prescription will be billed directly to the Plan after the student pays a co-payment. Prescriptions filled through CVS/Caremark will be limited to a maximum of a 30-day supply. The co-payment amounts will be \$15.00 for generic drugs and \$30.00 for brand name* drugs, which are dispensed at our preferred pharmacies: the LLUMC Pharmacy, the Faculty Professional Pharmacy (located in the Faculty Medical Offices), the LLU Meridian Pharmacy, the LLU Highland Springs Pharmacy, the LLUMC Murrieta Physicians Office Bldg Pharmacy and the LLU Community Pharmacy.

If the prescription is filled at any other participating CVS/Caremark pharmacy, there will be a \$25.00 co-payment for generic products or a \$40.00 co-payment for brand name* drugs. Prescriptions not filled by the CVS/Caremark system will not be covered under the Plan.

*This is the co-payment when a name brand is purchased due to no generic being available, however if a student **chooses** a name brand over a generic drug, the student will be responsible for the generic co-payment plus any difference in cost between the two medications.
